

WHY PARTICIPATE IN

VIRTUAL CARE TEAM CONFERENCES?

HOW DOES THIS PROGRAM HELP YOU?

- **BUILD PROFESSIONAL BRIDGES**
- **ADDRESS THE NEEDS OF YOUR PATIENTS AND THEIR FAMILIES**
- **STRENGTHEN LOCAL SYSTEMS OF CARE**
- **GIVE YOURSELF A BETTER PICTURE OF THE CHILDREN AND FAMILIES YOU SERVE**

Medically complex children often have several physicians taking care of them. A multidisciplinary patient care conference is a meeting where some or all of a patient's providers get together to discuss the overall plan of care for the patient.

THE VCTC COORDINATOR WILL:

- SET UP CONFERENCE DATE AND TIME
- FACILITATE THE CONFERENCE
- DOCUMENT CONFERENCE
- DISTRIBUTE CONFERENCE SUMMARY TO ALL PARTICIPANTS
 - THIS WILL AUGMENT YOUR BILLING DOCUMENTATION

Who is on a care team?

- patient and family
- primary care provider/pediatrician
- sub-specialty doctors
- hospital physicians
- care coordinator
- discharge planner (if needed)
- family advocates (if needed)
- therapists (if needed)

Your Part

- provide your contact information to the coordinator
- make yourself available to participate in the conference
- download "Zoom" on your device
- document a short note in your EMR
